

src/intersim2/globals.hpp

```
graph TD; A[src/intersim2/globals.hpp] --> B[string]; A --> C[vector]; A --> D[iostream];
```

A diagram illustrating the dependencies of the file `src/intersim2/globals.hpp`. The file is shown in a grey box at the top. Three blue arrows point from this box to three white boxes below it, labeled `string`, `vector`, and `iostream`, indicating that `globals.hpp` depends on these standard library components.
