

gpgpu_sim::gpgpu_sim

```
graph LR; A[gpgpu_sim::gpgpu_sim] --> B[time_vector_create]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'gpgpu_sim::gpgpu_sim'. The right box is gray with a black border and contains the text 'time_vector_create'. A dark blue arrow points from the right side of the left box to the left side of the right box.
