

Memory::page_allocator

```
graph LR; A[Memory::page_allocator] --> B[StatBase::size]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'Memory::page_allocator'. The right box is white and contains the text 'StatBase::size'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

StatBase::size
