

Mat::Mat

```
graph LR; A[Mat::Mat] --> B["Mat::compute_bit_mux<br/>_sa_precharge_sa_mux<br/>_wr_drv_wr_mux_h"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'Mat::Mat'. The right box is gray with a black border and contains three lines of text: 'Mat::compute_bit_mux', '_sa_precharge_sa_mux', and '_wr_drv_wr_mux_h'.

Mat::compute_bit_mux
_sa_precharge_sa_mux
_wr_drv_wr_mux_h
