

GpuWrapper::r_returnq_full

```
graph LR; A[GpuWrapper::r_returnq_full] --> B[fifo_pipeline::get_length];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'GpuWrapper::r_returnq_full'. The right box is gray with a black border and contains the text 'fifo_pipeline::get_length' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.

fifo_pipeline::get
_length
