

NIUController::NIUController

```
graph LR; A[NIUController::NIUController] --> B[NIUController::set_niu_param]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'NIUController::NIUController'. The right box is gray with a black border and contains the text 'NIUController::set_niu_param' on two lines. A blue arrow points from the right side of the left box to the left side of the right box.

NIUController::set
_niu_param
