

init_tech_params

```
graph LR; A[init_tech_params] --> B[wire_capacitance]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'init_tech_params'. The right box is gray with a black border and contains the text 'wire_capacitance'. A dark blue arrow points from the right side of the first box to the left side of the second box.
