

add_function_name

```
graph LR; A[add_function_name] --> B[symbol_table::add_function]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'add_function_name'. The right box is gray with a black border and contains the text 'symbol_table::add_function'. A dark blue arrow points from the right side of the first box to the left side of the second box.

symbol_table::add_function
