

PCleController::PCleController

```
graph LR; A[PCleController::PCleController] --> B[PCleController::set_pcie_param]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'PCleController::PCleController'. The right box is gray with a black border and contains the text 'PCleController::set\_pcie\_param' on two lines. A blue arrow points from the right side of the left box to the left side of the right box.

PCleController::set  
\_pcie\_param
