

BufferState::IsFullFor

```
graph LR; A[BufferState::IsFullFor] --> B[BufferState::BufferPolicy::IsFullFor];
```

The diagram illustrates a function call. On the left, a gray rectangular box contains the text 'BufferState::IsFullFor'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'BufferState::BufferPolicy' on the top line and '::IsFullFor' on the bottom line. Both boxes have a black border.

BufferState::BufferPolicy
