

ldst_unit::has_no_remaining_inst

```
graph LR; A[ldst_unit::has_no_remaining_inst] --> B[baseline_cache::mshr_empty]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'ldst_unit::has_no_remaining_inst'. The right box is gray with a black border and contains the text 'baseline_cache::mshr_empty' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.

baseline_cache::mshr
_empty
