

Communicate::Communicate

```
graph LR; A[Communicate::Communicate] --> B[Communicate::initialize_for_child]; B --> C[printf];
```

The diagram is a horizontal flowchart with three rectangular boxes connected by arrows. The first box on the left is shaded gray and contains the text 'Communicate::Communicate'. A dark blue arrow points from its right side to the left side of the second box. The second box is white with a black border and contains the text 'Communicate::initialize\_for\_child' on two lines. Another dark blue arrow points from its right side to the left side of the third box. The third box is also white with a black border and contains the text 'printf'.

Communicate::initialize  
\_for\_child

printf
