

src/intersim2/power  
/switch\_monitor.hpp

```
graph TD; A["src/intersim2/power<br>/switch_monitor.hpp"] --> B["vector"]; A --> C["iostream"]
```

The diagram illustrates the dependencies of the file `src/intersim2/power/switch_monitor.hpp`. It is represented by a gray rectangular box at the top. Two blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left box is labeled `vector` and the right box is labeled `iostream`, indicating that the source file depends on these two standard C++ libraries.

vector
