

function\_info::print\_insn

```
graph LR; A[function_info::print_insn] --> B[ptx_instruction::print_insn]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'function\_info::print\_insn'. The right box is white with a black border and contains the text 'ptx\_instruction::print\_insn'. A dark blue arrow points from the right side of the left box to the left side of the right box.
