

TrafficManager::TrafficManager

```
graph LR; A[TrafficManager::TrafficManager] --> B[Network::GetInjectCred]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'TrafficManager::TrafficManager'. The right box is gray with a black border and contains the text 'Network::GetInjectCred'. A blue arrow points from the right side of the left box to the left side of the right box.

Network::GetInjectCred
