

ptx_kernel_shmem_size

```
graph LR; A[ptx_kernel_shmem_size] --> B[function_info::get_kernel_info]
```

A diagram showing a relationship between two variables. On the left, a gray rectangular box contains the text 'ptx_kernel_shmem_size'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'function_info::get' on the top line and '_kernel_info' on the bottom line.

function_info::get
_kernel_info
