

gpgpu\_sim::select\_kernel

```
graph LR; A[gpgpu_sim::select_kernel] --> B[MKScheduler::next_thread_block_to_schedule]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'gpgpu\_sim::select\_kernel'. The right box is gray with a black border and contains the text 'MKScheduler::next\_thread\_block\_to\_schedule'. A blue arrow points from the right side of the left box to the left side of the right box.

MKScheduler::next\_thread  
\_block\_to\_schedule
