

interconnect_pop

```
graph LR; A[interconnect_pop] --> B[boundary_buf::pop_packet]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'interconnect_pop'. The right box is gray with a black border and contains the text 'boundary_buf::pop_packet'. A dark blue arrow points from the right side of the left box to the left side of the right box.

boundary_buf::pop_packet
