

Communicate::Communicate

```
graph LR; A[Communicate::Communicate] --> B[Communicate::initialize_for_child];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'Communicate::Communicate'. The right box is gray with a black border and contains the text 'Communicate::initialize_for_child' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.

Communicate::initialize
