

FlashController::FlashController

```
graph LR; A[FlashController::FlashController] --> B[FlashController::set_fc_param]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'FlashController::FlashController'. The right box is gray with a black border and contains the text 'FlashController::set_fc_param'. A blue arrow points from the right side of the left box to the left side of the right box.

FlashController::set
_fc_param
