

scheduler_unit::cycle

```
graph LR; A[scheduler_unit::cycle] --> B[ptx_get_insn_str]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'scheduler_unit::cycle'. The right box is light gray with a black border and contains the text 'ptx_get_insn_str'. A dark blue arrow points from the right side of the left box to the left side of the right box.
