

intersim2\_get\_flit\_size

```
graph LR; A[intersim2_get_flit_size] --> B[InterconnectInterface::GetFlitSize]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'intersim2\_get\_flit\_size'. The right box is white with a black border and contains the text 'InterconnectInterface' on the top line and '::GetFlitSize' on the bottom line. A dark blue arrow points from the right side of the left box to the left side of the right box.

InterconnectInterface  
::GetFlitSize
